

COUNCIL OF MINISTERS – GOVERNMENT OF RUSSIAN FEDERATION

DECREE

from August 30th, 1993 № 1546-r
Moscow city

1. Ministry of Economy of Russia, Ministry of Finance of Russia, when designing federal target programs and forecasts of socio-economic development of Russian Federation for 1994 - 1995, are to provide the allocation of loans for the development of industrial enterprises of Volgodonsk city of Rostov region in the prescribed manner. When developing the investment program and the budget of republics of Russian Federation for 1994 and consecutive years, plan for centralized capital investments for the conduction of engineering works to protect the city from flooding at the expense of the budget of Rostov region and with the involvement of extrabudgetary resources in accordance with the program for improving the operational reliability of buildings, constructions and utilities of Volgodonsk city in 1994 - 2000.

2. Administration of Rostov region and Administration of Volgodonsk city are instructed to prepare the feasibility study for the creation of a transport node in Volgodonsk city district in the prescribed manner, planning for a formation of an economic mechanism which would allow attracting funding from commercial structures and foreign investors for the solution of the said problem.

Chairman of the Council of Ministers
of the Russian Federation Government

V. Chernomyrdin
