

STATE DUMA
OF THE FEDERAL ASSEMBLY OF RUSSIAN FEDERATION
FIFTH CONVOCATION

**DEPUTY
OF THE STATE DUMA**

(2008-2011)

18 October 2011

№ LIS-1676/GD

To the President of Russian Federation

D.A. MEDVEDEV

Dear Dmitry Anatolyevich!

In accordance with your 4 Orders: №Pr-1883 from June 29th, 2010, №Pr-2448 from August 21st, 2010, №Pr-1413 from May 19th, 2011 and №Pr-1948 from July 8th, 2011 the Presidential Control Directorate of Russian Federation conducts an investigation of the accident of bankruptcy and forced liquidation of Atommash OJSC (Volgodonsk, Rostov region) where the State owned a share of 30%. General Prosecutor's Office of Russian Federation examines the justification of the previously made decisions not to initiate criminal proceedings on the fact of the intentional bankruptcy of Atommash OJSC.

The President of YACONTO LLC (RF, Moscow) S.P. Yakunin appealed to me (№111018-A02 from 18.10.2011), asking to support the implementation of Project-A for the restoration of the status quo of Atommash OJSC or an alternative option. YACONTO LLC is the successor of Concern YACONTO JSC (RF, Moscow) which owned 28.5% stake in Atommash OJSC, therefore, due to the intentional bankruptcy of the flagship of domestic nuclear engineering giant, YACONTO LLC and the State itself have been illegally deprived of their property.

I ask you to support the proposal of YACONTO LLC on the restoration of the status quo of Atommash OJSC through the implementation of the Project-A or an alternative option, described in the hereto attached Letter of YACONTO LLC (№111018-A01 from 18.10.2011) for effective development of nuclear power engineering in Russia and implementation of promising socio-economic programs.

Attachment: 15 sheets.

Respectfully yours,

Deputy of SD FA RF

A.I. Lisitsyn
