Dear Anatoly Ivanovich!

The Investigative Committee under the Office of Prosecutor General of Russian Federation has reviewed your appeal for the investigation of facts of the premeditated bankruptcy of Atommash OJSC and for prosecution in the interests of the state.

Taking into consideration the fact that the management of the downstream investigative body never took decisions on the arguments on the premeditated bankruptcy of the said company, in order to ensure swift reaction to possible law violations, the Deputy Chairman of the Investigative Committee under the Office of Prosecutor General of Russian Federation has instructed the Head of the Rostov regional investigative branch of the Investigative Committee under the Office of Prosecutor General of Russian Federation to organize an inspection and inform you on the results.

Execution of the instruction is being controlled by the Investigative Committee under the Office of Prosecutor General of Russian Federation.

A copy of the appeal has been sent for a competent review to the General Prosecutor's Office of Russian Federation, as appropriate.

Deputy Chief of the Main department  
of procedural control – Chief of the  
department of procedural control over  
investigative authorities
