

# GOVERNMENT OF RUSSIAN FEDERATION

## ORDER

№ 21 from January 8<sup>th</sup>, 1998

Moscow

### On Federal Target Program of socio-economic development of Rostov region by 2001

In order to support socio-economic development of Rostov region, the Government of Russian Federation **orders to:**

1. Approve the Federal Target Program of socio-economic development of Rostov region by 2001 (hereinafter the Program) proposed by the Ministry of Economy of Russian Federation.

2. Define the Ministry of Economy of Russian Federation as the State customer of the Program.

Ministry of Economy of Russian Federation is to transfer the execution of certain functions of the State customer to the administration of Rostov region on a contract basis.

3. Ministry of Economy of Russian Federation and Ministry of Finance of Russian Federation are to provide funding to the priority investment projects of the Program in the prescribed manner as of 1998, according to the recommendations of the Committee for investment tenders of the Ministry of Economy of Russian Federation.

4. Ministry of Finance of Russian Federation and Ministry of Economy of Russian Federation are to consider the possibility to provide funding to the priority investment projects of the Program via foreign tied credits in the prescribed manner, within the framework of external state loans of Russian Federation in respective years to come.

5. Ministry of Economy of Russian Federation and the administration of Rostov region are to present status update reports on the Program to the Government of Russian Federation on a yearly basis, by February 20<sup>th</sup>.

Prime Minister  
of Russian Federation

V. Chernomyrdin
