Dear Anatoly Ivanovich!

At the instructions of the Investigative Committee under the prosecutor's office of Russian Federation, your appeal about the intentional bankruptcy of Atomash OJSC has been reviewed by the Rostov regional investigative department of the Investigative Committee under the prosecutor's office of Russian Federation.

Review of the appeal showed that the investigative department of Volgodonsk city MOI has already conducted a procedural inspection of the facts you have set forth, under chapters 144 and 145 of the Criminal Procedure Code of RF. As a result, on 22.01.2010 there has been taken a decision not to institute criminal proceedings against the former director of Atomash OJSC Chesskiy S.V., bankruptcy referee of Atomash OJSC Stepanov A.Y. and the former Head of the Territorial agency of FSDN of Russia for Rostov region Gramotenko T.A., for absence of elements of crime.

Under current criminal proceedings legislation of Russian Federation, divisions of the Investigative Committee under the prosecutor's office of Russian Federation are not entitled to evaluate the actions of procedural decisions made by other investigative authorities. Therefore, your appeal has been redirected to the Main investigative department of the Rostov regional MOI, for a review on the merits.

Head of the investigative department

State Counselor of Justice 3<sup>rd</sup> class
