

MINISTRY OF ATOMIC ENERGY OF RUSSIAN FEDERATION

ORDER

28.01.1997

Moscow

№ 52

– FOR AN OFFICIAL JOURNEY ABROAD –

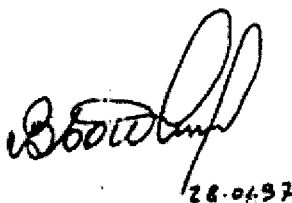

I ORDER:

To send the Head of the Department for Nuclear Engineering and Instrumentation of the Ministry of Atomic Energy (Minatom) of Russian Federation Koryakov G.S. to United Arab Emirates and Oman to conduct pre-contract negotiations for the supply of items manufactured by GNC SNIIP (State Scientific Center - Specialized scientific research institute for instrumentation engineering) as an expert of the Minatom of Russian Federation in the delegation of Russian production and holding Concern YACONTO (Moscow) from January 31st to February 7th 1997.

Funding will be provided by Concern YACONTO.

Reason: MNTS program, point 6.114, permission granted by First Deputy Minister Belosokhov A.I.

Deputy Minister of Atomic Energy
of Russian Federation

28.01.97

V.V. Bogdan
