## **STATEMENT**

As I learned, the Statement of YACONTO LLC outgoing № 2-20724 from 24.07.2002 and Addendum to it outgoing № 1-20731 from 31.07.2002 to V.N. Alferov, the head of Inter-Regional Territorial Authority of FSFR of Russia in the Central Federal District has been forwarded to you being the correct jurisdiction for conducting an official internal investigation against T.A. Gramotenko, the former head of territorial agency of FSFR of Russia in the Rostov region.

As it's unacceptable for a likely offender to occupy an executive role in a state authority, **I ask you to personally** organize and supervise the conduct of the above investigation, demanding from T.A. Gramotenko a written explanation to the Statement and Addendum from YACONTO LLC and the attached documents. I also insist on the suspension of her official duties until the conclusion of the investigation.
