Re: Your out. № A-60-2-164 from 29.07.2004

**To the Advisor to the President
of Russian Federation**

A.G. BURUTIN

Dear Aleksandr Germanovich !

As requested, I am sending to you the express Conclusion of the expert group of FSE RI RSCCE (out. № 269 from 02.08.2004) on the project of YACONTO Integrated Program which, according to YACONTO List of Projects from 28.04.2004, encompasses the construction of a «Commercial Black Sea port YACONTO» in Tuapse region for transshipping of 100 million tons of cargo per year and creation of a modern Tuapse naval base with a single production, transport and social infrastructure in Tuapse city.

Understanding the importance and perspectives of the non-state investment YACONTO Integrated Program for socio-economic development of Russia and its defense and security, FSE RI RSCCE believes it expedient to accelerate the development and implementation of projects included in the YACONTO List of Projects from 28.04.2004.

Attachment - 185 documents on 362 pages:

1. Conclusion of the expert group (out. № 269 from 02.08.2004) on 17 pages.
2. Letter of the President of YACONTO LLC S.P. Yakunin to the Presidential Executive Office of Russian Federation (out. № 2-40720 from 20.07.2004) on 1 page with 182 documents on 338 pages attached to it according to the List of documents № 1 on 6 pages (returning documents to the sender).
