**16.04.2012 № 120416-A02**

**To the Ambassador  
Extraordinary and Plenipotentiary  
of the United States of America  
in Russian Federation  
Mr. Michael Anthony McFaul**

**On the participation of the U.S. in the  
promising YACONTO International Program  
through the implementation of the Project-A**

**Your Excellency !**

YACONTO LLC (Russia, Moscow) is preparing to implement the large-scale multidisciplinary YACONTO International Program of geopolitical and geo-economical significance to the international community with a total investment of 1.3 trillion U.S. dollars. The proposals to participate in the projects and programs included in the unprecedented YACONTO International Program, coming from world's leading companies of the U.S., European countries, Asia and the Middle East are more than sufficient to solve the funding problem.

The activities of YACONTO LLC are being actively opposed by corrupt, irresponsible before the Law, officials from the staff of state authorities, which is out of control in Russia and only serves the interests of the ruling elite and their monopoly business partners. At the same time, my Constitutional Rights as the Citizen of Russian Federation and a Proprietor of YACONTO LLC are violated unlawfully, since I was deprived of material goods and intellectual property due to premeditated bankruptcies of large industrial enterprises with the opportunistic complicity of officials and a whole army of their supporters from law enforcement, supervisory and regulatory agencies, and courts in Russia, linked by mutual responsibility.

More detailed information about the promising YACONTO International Program and the illegal activities of corrupt officials in Russia can be found in the Letter of YACONTO LLC (out. № 120416-A01 from 16.04.2012) to the President of the U.S., Mr. Barack Hussein Obama II, enclosed to this appeal.

**Your Excellency, I respectfully ask you for a personal meeting at a time that suits you best, so I that can provide confidential information about the opportunities and conditions of the implementation of the YACONTO International Program and so that you can convey this information to the President of the U.S., Mr. Barack Hussein Obama II.**

**Attachment:** Set of documents.

**Respectfully yours,**

**President of YACONTO LLC**

**Sergey P. Yakunin**
