Dear Sergey Pavlovich!

In accordance with the letter from the Governmental Staff of Russian Federation, the Ministry of Economic Development of Russia, together with State Corporation "Rosatom", have reviewed your appeal of 13.10.11 №111013-A01 with your request to issue an appropriate PoA to an authorized person who would be empowered to conduct negotiations with YACONTO LLC regarding the purchase of 30% share in Atom mash OJSC, owned by the state; we inform you that there is no Atom mash OJSC stock in the property of Russian Federation.

Having said that, as per the position of State Corporation "Rosatom", which operates in the field of nuclear industry, there is no legal basis for issuing a PoA for negotiations with YACONTO LLC regarding the purchase of the state-owned 30% of Atom mash OJSC stock, since Atom mash OJSC has been liquidated, as follows from the documents attached to the appeal in question.
