

26.09.2007 № 1-70926**Addendum to the Letter of YACONTO LLC
out. № 1-70917 from 17.09.2007,
inc. № 3/25737 from 20.09.2007****To the Minister
of Internal Affairs of RUSSIA
R.G. NURGALIYEV**Russia, 117049, Moscow,
ul. Zhitnaya, 16**Dear Rashid Gumarovich !**

According to the order of the General Prosecutor's Office of Russia, the Ministry of Internal Affairs of Russia checks the facts stated in my Letter to the Prime Minister of Russia M.E. Fradkov (outgoing № 1-70820 from 20.08.2007). On 24.09.2007 YACONTO LLC addressed the new Russian Prime Minister V.A. Zubkov with a refined and updated letter (outgoing № 1-70924 from 24.09.2007), a copy of which I hereby share with the Ministry of Internal Affairs to inspect and evaluate these facts.

I also report that, most probably, the Russian Ministry of Internal Affairs will not be able to carry out essential due diligence on the facts of deliberate bankruptcy of the Russian nuclear engineering giant Atom mash OJSC, because the Resolution from 16.04.2004 (refusal to institute criminal proceedings) signed by the head of Volgodonsk Internal Affairs, colonel of militia V.P. Potapov contains knowingly false statements and a reference to the materials of the inquiry and a reference OM-2 of Volgodonsk Internal Affairs from 15.04.2004, according to which, based on the Order of the MIA of Russia № 615 from 19.11.1996, certain documents were allegedly destroyed due to expiration; those documents were critically important for confirmation of the crimes committed by listed members of an organized criminal group of officials (OCG). It is a telling fact that the investigation of premeditated bankruptcy of Atom mash OJSC, the biggest bankruptcy fraud in Russia, was assigned to a lieutenant of militia A.A. Nesterov (a trainee). He "figured out" everything at once (as if it were an ordinary kiosk), composed a judicially casuistic, non-committing Resolution, signed it as an executor and got it approved by V.P. Potapov. However, the Audit Chamber of Russia and the Federal Security Service of Russia have all materials required for the inspection.

Attachment in copies: Letter of YACONTO LLC to the Prime Minister of Russia V.A. Zubkov (out. № 1-70924 from 24.09.2007) on 16 pages with a List of documents № 2 attached on 1 page; 2 duplicates of a CD of YACONTO from 24.09.2007 (containing 3208 files in 206 folders); Letter of YACONTO LLC to the Deputy of Russian State Duma A.N. Kharitonov (out. № 2-70924 from 24.09.2007) on 1 page; Letter of A.N. Kharitonov to V.A. Zubkov (out. № KHAN-1630/GD from 24.09.2007) on 1 page.
